EXECUTIVE SUMMARY SHEET
CITY OF SAN DIEGO

DATE: 2/1/2016

ORIGINATING DEPARTMENT: Police Department

SUBJECT: Informational update for PS&LN regarding the Homeless Outreach Team (HOT) and the Serial Inebriate Program (SIP).

COUNCIL DISTRICT(S): All

CONTACT/PHONE NUMBER: Debra Farrar/619-990-5317, MS 776

DESCRIPTIVE SUMMARY OF ITEM:

Members of the Police Department will be providing an informational update regarding the Homeless Outreach Team and the Serial Inebriate Program (SIP).

A PowerPoint presentation will discuss current staffing levels, partnerships, successes and challenges.

STAFF RECOMMENDATION:

This is information only for the Homeless Outreach Team and the Serial Inebriate Program (SIP).

EXECUTIVE SUMMARY OF ITEM BACKGROUND:

In 1999, the Police Department developed two innovative outreach programs. They are the Homeless Outreach Team (HOT) and the Serial Inebriate Program (SIP). Both programs offer housing options that connect individuals experiencing chronic homelessness directly to safe havens, transitional housing programs, local homeless providers or residential treatment programs.

These two programs were recognized by the United States Housing and Urban Development as "Best Practices" for reducing chronic homelessness and are currently being replicated by other cities throughout the United States.

The HOT Team combines a San Diego Police Officer, a Psychiatric Emergency Response Team (PERT) clinician and a County of San Diego Health and Human Services (HHSA) specialist in outreach teams to provide a resource for patrol officers who are responding to radio calls involving homeless. These outreach teams take referrals from police officers, community members and businesses.

In the past calendar year, the HOT team had just over 18,000 contacts with homeless individuals, which resulted in 805 placements. This year the Homeless Outreach Team had access to one night emergency cots at P.A.T.H./Connections Housing and The San Diego Housing Commission has started funding 50 triage beds, year round, at Saint Vincent de Paul. The Serial Inebriate Program is also operating 32 beds at an apartment complex in Mid-City.

The Serial Inebriate Program (SIP) is a collaboration between the Police Department, City Attorney's Office, Superior Courts, County of San Diego Behavioral Health and Mental Health Systems. SIP is funded jointly by the County and the City. This program follows the Drug Court Model and provides chronic homeless alcoholics a choice between incarceration and treatment.

The costs and the overutilization of police and emergency medical services associated with the chronic alcoholic population are well documented. Working closely with the San Diego Fire Department, SIP addressed 9 of the top 911 abusers last year (2015). These individuals were responsible for 520 Fire/Paramedic transports at a cost of \$968,000. With the collaboration of our partners, all individuals were sentenced to custody and /or treatment. The SIP program continues to make progress in reducing these incidents and many cities across the nation look at San Diego SIP as the model to replicate.

CITY STRATEGIC PLAN GOAL(S)/OBJECTIVE(S):

Goal 2: Work in partnership with all of our communities to achieve safe and livable neighborhoods.

Objective #2: Reduce and prevent crime.

Objective #4: Foster services that improve quality of life.

Objective #5: Cultivate civic engagement and participation.
